

**100%
PORTABLE!**

PROFESSIONAL SWIMMING POOL VACUUM

**FITS A 35AH BATTERY
3 HOURS OF RUN TIME**

Battery not included

BATTERY POWERED

The PV2100 is ideal for cleaning residential and small commercial pools. You can carry this vacuum without the need for a cart. It is 100% portable with no hoses or pumps to prime. The PV2100 will vacuum large piles of leaves, dirt, rocks and even coins into its large capacity filter bag. Simply attach your pole, plug it in and begin cleaning. It's that simple!
